

## CAMPERLAND'S WARRANTY INFORMATION

**Warranty Statement:** Camperland Trailer Sales, Inc. has been in business for over 35 Years now, and we are a dealership that believes in servicing what we sale. See what is covered and what is not after the first 90 Days of your manufacturer's warranty on a new RV, and, what we do for our, Camperland's, customer that other dealers do not.

**Full Warranty:** a full warranty is included for customer's paying "our suggested list" price. Of course, the customer will receive the full manufacturer warranty from the manufacturer, on the purchase of a new RV, but Camperland will also do the things "not covered" by the manufacturer... Please inquire to sales for all the details.

**Partial Warranty:** a partial warranty is included for customer's paying "below suggested list" price. As stated above, the customer will receive the full manufacturer warranty on their new RV, but the customer will be responsible for those things not covered under the warranty... Please inquire to sales for all the details.

Camperland Trailer Sales, Inc. is an authorized service center for the 12 major appliances. (At this time, Camperland, is the only dealer in the Houston area with this title. – Subject to change.)

---

### **90 day service contract**

w/ the purchase of a Pre-owned unit @ our suggested list price

The pre-owned units have no warranty from the manufacturer or the dealer. These units will have a 90-day service contract that will give the unit limited coverages. See the 90-day service contract for the coverage explanation. These units will have a walk-thru that goes over the 10 items listed: water pump and water system including tanks and drains, refrigerator, air conditioner, water heater, power converter, stove, oven, antenna, awning, furnace (if furnace is over 10 years old, then Camperland does not run, check or repair.) All items and appliances listed above will be mechanically operational, not cosmetically.

### **AS-IS / 10 Appliances**

These units have no warranty. There is no warranty stated, in writing, implied, verbal, or otherwise. The unit will have the following appliances working at time of delivery: water pump and water system including tanks and drains, refrigerator, air conditioner, water heater, power converter, stove, oven, antenna, awning, furnace (if furnace is over 10 years old, then Camperland does not run, check or repair.) Again, these units have no type of warranty. You will be buying the unit knowing that there could be other issues wrong with the unit that are not related to the above 10 items. The customer also understands that if any item on the unit malfunctions, then they are responsible for the cost or repair. Camperland, nor the manufacturer, is responsible.

The walk-thru on this unit will only go over the 10 items listed above.  
If a full walk-thru is required, please inform the sales representative for additional information.  
All items and appliances listed above will be mechanically operational, not cosmetically.

### **AS-IS / Hook and Haul**

These units have no warranty stated, implied, in writing or verbal, or otherwise. These units are being sold with NO checkout and NO walk-thru.

The customer fully understands that there could be issues with any and all of the components of the unit that could require repair or replacement. The customer also understands that they will be responsible for the cost of replacing the failed items. The customer understands that they are purchasing a unit that could require minimal to substantial repairs that the customer will be responsible for.
